EMPRESS JOSEPHINE.

EMPRESS JOSEPHINE FACE BLEACH is an infallible, painless and permanent cure for Pimples, Acne and Eczema, and is the only known preparation that will harmlessly and effectually remove Freckles, Sallowness, Tan, Sunburn, Blackheads, Wrinkles, Oiliness, Roughness, or any other discoloration of the skin. It does not give the face a faded-out or whitewashed appearance, as the name Bleach would imply, but restores the skin to its naturally youthful color, making it as soft and fair as a babe's; also, making it smooth and firm, proof against sun or weather, thus preventing Tan

or Sunburn. EMPRESS JOSEPHINE FACE BLEACH is distinct from all balms, creams, lotions, washes, etc., as it does not require continual use, but is a permanent cure. It is not a cosmetic, does not show on the face after application, and for this reason can be used immediately before going on the street.

From twenty to sixty days usually required to clear the complexion. The price, 75c per bottle, or three bottles for \$2, is unusually low for such an excellent preparation. It is sold at this price, however, to give both rich and poor an opportunity to be benefited by our experience.

The skeptical ones should remember that we guarantee the Face Bleach,

and will forfeit \$500 for proof of any case where Empress Josephine Face Bleach has failed to do as represented.

LIBERAL OFFER—EMPRESS JOSEPHINE FACE SOAP FREE During the appearance of this advertisement, a cake of Empress Jose-phine Face Soap will be given with the first purchase of any of the above preparations, provided the Journal Ticket is presented. The terms of this sale are positive. After this advertisement is taken out of the Journal no

more soap will be given away.

EMPRESS JOSEPHINE FACE CREAM has been especially prepared and placed upon the market for the benefit of ladies who will not use the Face Bleach. Its properties are the same as those of the Bleach, and is also well adapted to the treatment of harsh and reddened skin, and is espe-

THE EMPRESS JOSEPHINE FACE ENAMEL

This is a beautiful, invisible whitening, and one of the artificial means of producing a pretty complexion. Many of our lady patrons buy The Empress Josephine Face Enamel for evening use only. It is really more delightful to use than face powder, as it does not show on the face. It is perfectly harmless. Ladies who are actively engaged in work during the day are ofttimes annoyed by a flushed appearance or redness of the face. This appearance is quickly dispelled by the Empress Josephine Face Enamel, which removes all discoloration and imparts a cenial and pleasing tone of countenance, expressive of repose and intellectual power.

APPLIED TO THE NECK, ARMS AND HANDS

It gives an appearance of graceful rotundity, as well as a pearly blooming purity, which is ever the admiration of the opposite sex. When used upon the person it exhales a subdued and delightful fragrance, suggesting pure habits and cultivated taste.

It makes a lady of thirty appear but twenty, and se natural, gradual and perfect are its effects that ne person can detect its application.

THE EMPRESS JOSEPHINE FACE ENAMEL is used by actresses, opera singers and ladies of fashion, to create that distingue appearance so much admired by ever; one.

ever, one.

By its use the roughest skin is made to rival the pure and radiant texture of youthful beauty.
